Cllr Roberts and Cllr O'Regan will remain on the Burial Board, Cllr Webb offered to also join that Committee. There is a vacancy on the Duxford Liaison Committee. Cllr Wragg volunteered to take this role on, following Michael Bates' retirement. The roles of Planning and Finance Chair and Vice-Chair will be determined at the first meetings of both committees.

8.	MATTERS ARISING: Cllr Roberts reported that there was a site visit by members of the SCDC Planning Committee, Cllr Roberts attended as part of this. Circle Anglia agreed to put a path along Cambridge Road but it wasn't felt necessary to put one on Thriplow Road. There will only be 2 small openings (less than 1m) on the Thriplow Road. The meeting followed that afternoon, with members of the public present from Fowlmere, one who spoke in favour of the proposal. The resulting vote was 14 in favour of the development, none against and the application was duly passed. The other more minor conditions the Parish Council specified are being adhered too as far as is possible, and Circle Anglia, the Housing Association, should be commended for taking on board what has been asked of them by the local parish. The Clerk to ask Darren Blake at Circle Anglia for an update on progression and do they know the numbers which will be part buy/part rental.	Clerk

	<p>The two applications for Welding Alloys were going to be refused on delegated powers at SCDC but the applicant withdrew their applications before this could happen. Local residents have copies of the letter from SCDC stating the reasons for their proposed refusal.</p> <p>The tree behind High Street / Ryecroft Lane isn't currently shedding so there is little that can be done about it at present – the Councillors to keep a watching brief. Clerk to report back to Mrs Drummond.</p> <p>Phillippa from the Post Office has updated the PC re a Post office service in Fowlmere. (The PC would like to thank the Chapel for arranging a special meeting to discuss the possibility of hosting the provision although this has not been possible). The PO have had further discussions with the Swan Inn about timings and the possibility of hosting the service there. The owner is being extremely helpful and the PC hope the discussions will be fruitful.</p>	Clerk
9.	<p>COUNTY COUNCIL AFFAIRS: Cllr Stone gave the following report:</p> <p><i>“The Cambridgeshire and Peterborough Minerals and Waste plan</i> <i>The Minerals and Waste plan has been judged sound by the Inspector. This is something of a triumph for officers who have worked very hard on calculating what minerals – mainly sand and gravel – we shall be digging up and what we shall be doing with our waste until 2026.</i></p> <p><i>Now arrangement have been made for the independent examination of the Cambridgeshire and Peterborough Minerals and Waste Site Specific Proposals Development Plan Document.</i></p> <p><i>There is probably little to get people excited in our part of the world. But you can never be sure. One controversial item could be the proposal to create a state-of-the-art household recycling centre off the Hauxton Road end of the Addenbrooke’s access road. This is hotly contested by some residents of Trumpington. The main problem for the County is that there is no other suitable spot.</i></p> <p><i>Precise details of the dates and the programme for the Hearing sessions can be obtained, as they become available, from the Councils’ websites www.cambridgeshire.gov.uk / www.peterborough.gov.uk , or from the Programme Officer for the examination. The Programme Officer is Gloria Alexander. She can be contacted by telephone on 07789 942854 or via email to Gloria.alexander@cambridgeshire.gov.uk.</i></p> <p><i>New Leader</i> <i>A new Leader of the Council from today. I think that’s one every couple of years. One of the first moves is to remove Liberal Democrats from chairmanship of committees. I’m the only Lib Dem chair left – at Audit and Accounts. I take it as a compliment but I find it’s not very sensible to impute motives to people; just work on the facts.</i></p> <p><i>Anyway, just to show that I do know something about figures I asked at Full Council today how the County is going to engage with local residents to decide how to spend the £789,300 which we’re getting for the New Homes Bonus. The County gets this</i></p>	

	<p><i>cash to encourage it to promote housebuilding. Over the years that could add up to considerable sums. They'll give me a written reply.</i></p> <p><i>Meanwhile South Cambridgeshire got £868,649 and they haven't consulted with anyone: just used it to fill a budget hole caused by withdrawal of other grants. That's not exactly the idea. Grant Shapps, the Tory Housing Minister says, "It is now essential that councils engage with their local communities to decide how the money is spent." Building in our part of the world is nothing like what is going on in St Neots and Cambourne but we could do with our share all the same."</i></p> <p>Cllr Roberts thanked Cllr Stone. Mr Bates asked the Parish Council, on behalf of the village hall, that they ask for the signage, even if they cannot pay for it. Cllr Roberts sought agreement, all agreed, the Clerk to write to David Lines to request it.</p> <p>Cllr Roberts said the Thriplow Triangle application had been approved, 14 votes to nil. Cllr Stone to ask Highways about consulting re yellow lines – is there a programme of wording to use in such a consultation. Cllr Wragg reported that the white van no longer seems to be an issue but the cars parking along Thriplow Road are an issue.</p> <p>Cllr Stone to chase the sign to go at the end of Rectory Lane, at SCDC.</p>	<p>Clerk</p> <p>Cllr Stone</p> <p>Cllr Stone</p>
10.	<p>UPDATE ON THE VILLAGE HALL:</p> <p>Mr Bates reported that there have been conditions set regarding the application for a new boiler. KWS are providing funds to improve the kitchen. The fundraising efforts will continue. £3000 has been accepted from SCDC and Cllr Roberts was asked to check if they could further apply for more funds this year.</p>	Cllr Roberts
11.	<p>PLANNING COMMITTEE a) Minutes from 3rd May 2011</p> <p>MINUTES OF A MEETING OF FOWLMERE PARISH COUNCIL PLANNING COMMITTEE HELD IN THE DOROTHY PLUCK ROOM, ST MARY'S CHURCH, FOWLMERE ON 3RD MAY 2011 AT 8:30PM</p> <p>PRESENT: Cllr D Roberts (Chair), Cllr M Bates, Cllr O Regan, Cllr J Peacock, Cllr M Sunderland, Cllr L Wragg and Mrs J Wright (Clerk)</p> <p>APOLOGIES: Cllr Webb</p> <p>1. Declarations of interest (if any) Before discussion, Cllr Roberts declared that if an application is later placed before South Cambridgeshire District Council she will approach any new information afresh.</p> <p>2. S/0739/11 Replace park Home with permanent dwelling Springfield, Fowlmere Road, Melbourn, (Parish of Fowlmere) Mrs Maxine Blyth</p>	

	<p>Fowlmere Parish Council support this application - it's a thriving business, and an appropriate countryside business. The proposed building is modest in size and a worthwhile improvement for the area and an enhancement for the business. Fowlmere Parish Council would far prefer this to another mobile home in its place.</p> <p>3. S/0355/11 For Information only – Permission Granted Conversion of Garage to Games / Play Room Pavillion End, Rectory Lane, Fowlmere, Royston, SG8 7TL Mr & Mrs Chris & Jenny Neild</p> <p>The Parish Council noted the decision.</p> <p>4. Other Matters and Updates Other Matters and Updates (<i>for information only</i>) There were no further matters for discussion. The meeting closed at 8:45pm</p> <p style="text-align: center;">*****</p> <p>The minutes were agreed as a correct record and were signed accordingly</p> <p>b) Affordable Housing in Fowlmere Update This was completed earlier in the agenda</p> <p>c) Heydon Wind Farm If a formal planning application is being submitted to SCDC then a meeting would be sought, so that knowledge could be gained then. Discussions must not be made prior to that happening and a Parish Council cannot enter onto the campaign stage as they need to remain completely neutral. It would be useful to know where information could be sought as and when an application is being made.</p> <p>The meeting was then opened to members of the public and press</p> <p>Mr Bates congratulated Cllr Roberts on her re-election and is delighted that approval has been given for the Thriplow Triangle planning application and looks forward to seeing the project through to completion. The PC can be congratulated for being seen to be acting for the people in the village in need of affordable housing.</p>

They were told that they didn't have</p>	

	<p>permission and it was wholly inappropriate to take wedding photos in a cemetery and were asked to leave.</p> <p>Mrs Joan Adams asked permission to neaten her husband's grave as the soil had never settled and to re-turf it. The Parish Council have no problem with this and the Clerk to go back to Mrs Adams and say that's fine to go ahead.</p> <p>Clerk to seek a quote for a replacement key as there is only one for the Chapel.</p>	<p>Clerk</p> <p>Clerk</p>

Cllr Roberts and Cllr O'Regan to meet and view them.</p> <p>2 trees have been felled along the boundary of Savile Way in the Moat which permission wasn't given for.</p> <p>Unauthorised signs have been put along the trees leading to the Butts Business Park about speeding etc. Cllr Roberts to take a look.</p>	<p>Clerk</p> <p>Cllr Roberts & Cllr O'Regan</p> <p>Cllr Roberts</p>
